Display Units	Four Honeywell DU-1080
MDCU(Multipurpose Display Control Unit)	Dual Honeywell MC-850
Air Data Module	Dual Honeywell AZ-200
NAV Radio Module	Dual Honeywell NV-875A
DME Module	Dual Honeywell DH-855
Modular Radio Cabinet	Dual Honeywell MRC-855
VHF Comm. Radio	Dual Honeywell TR-865A
ADF Module	Single Honeywell DF-855
HF Radio T/R	Single Honeywell KRX-1053
SATCOM (Iridium)	Single Aircell ST-3100
CVR Control Unit	L-3 Com S261-1120-00
CVR (Cockpit Voice recorder)	L-3 Com 2100-1020-02
VHF Digital Radio	HW VDR
Com. Management Function	Honeywell CMF Cabinet
Data Management Unit	HW DMU
FDR (Flight Data Recorder)	L-3 Com FA2100 FDR
Audio Control Panel	Dual Honeywell AV-850
Traffic Collision Avoidance System	Honeywell TCAS S3100-202
Mode S ATC Module	Honeywell ATC XS-857A
Enhanced Ground Proximity Warning	Honeywell EGP-001
Primus 88 Turbulence Radar	Honeywell WU-880
Selcal	Coltech CSD-714
Radio Altimeter System	Dual Honeywell RT-300
Cursor Control Device	Honeywell CC-950
Guidance Panel	Honeywell GP-400
AHRS	Dual Collins AHC-3000
Flux Detector Unit	Dual Collins FDU-3000
External Compensation Unit	Dual Collins ECU-3000
Standby Horizontal Situation Indicator	Goodrich EHSI-4000
Secondary Flight Display	Goodrich GH-3000
GPS/FMS	Dual CMC Electronics CMA-4024-1
ELT (Emergency Locator Transmitter)	Kannad 406 AF

Engines

Two Pratt & Whitney Canada PW306C - enrolled on ESP Silver Lite
L/H 2830 TSN 1443 Cycles, R/H 2830 TSN 1435 Cycles
Dual Channel Full Authority Digital Engine Control
Two P&W Electronic Engine Control Units - P/n: 822822-4-004

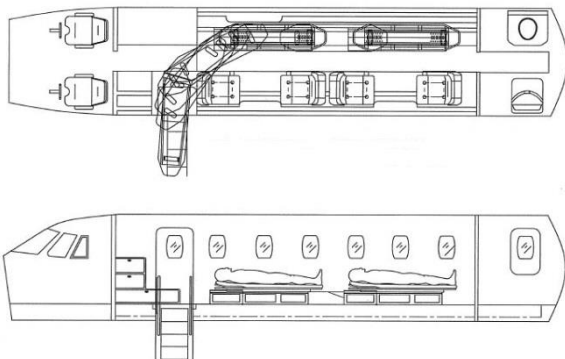

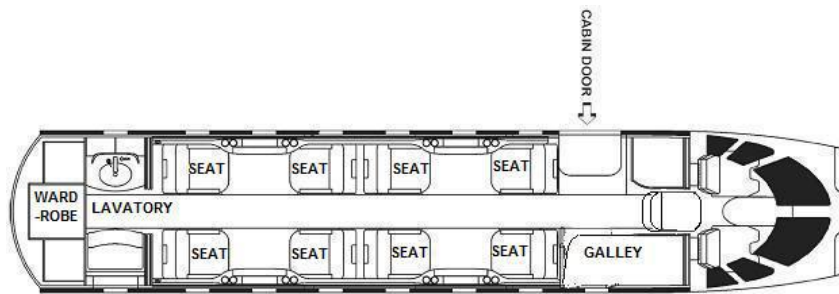

APU

Honeywell RE-100(CS), 1910 TSN, 2233 Cycles - enrolled on MSP

Maintenance

Based on Cessna Maintenance Manual Chapter 05, Aircraft is on CAMP.
All checks 12, 24, 36 & 72 month complete at end July 2014.

Layout

LifePort, Inc.
